Thank you

for supporting the

Touring Fund of the

Academy Chamber Orchestra

Happy Valentine's Day!

Through the generosity of its friends and supporters and with the financial help of the University of Alberta and the Provincial Government of Alberta, The Academy Chamber Orchestra has undertaken two tours of Europe, performing in England, France, Italy and Spain. It has toured Alberta on several occasions and visited British Columbia and Washington State. We look forward to continued growth and further opportunities to represent the University and Province, both here and overseas.
